LIFT their spirits.

LIFT their hopes.

Fairfax CASA's 30th Anniversary Celebration

Sunday, October 27, 2019 | 1pm-4pm

Chantilly National Golf Club

Dear Friend,

Each of us has the power to lift up the lives of children who have experienced abuse and neglect. Together, we can lift their voices, their spirits, their dreams, and their hopes by supporting the selfless and inspiring group of people who serve as Court Appointed Special Advocates.

This year's celebration of our *CASA* volunteers is even more special as we will also celebrate the 30th anniversary of Fairfax *CASA* and the three decades of advocacy they have provided to the most vulnerable children in our community. Ashley Rhodes-Courter, *New York Times* and international best selling author of "Three Little Words," is our keynote speaker who will share her story of growing up in foster care and overcoming her pain to share her journey with those who have experienced adversity.

Please consider partnering with us as a sponsor for this special celebration, as we celebrate our volunteers, our children and the human spirit. If you have any questions, please do not hesitate to contact me.

With gratitude,

Darcy Cunningham, Executive Director, Fairfax *CASA*
